UPDATE ON INTERIM RESULTS AND SUSPENSION OF TRADE IN THE COMPANY'S SECURITIES

Further to the announcement of 30 October 2019, the reconstituted board of directors (which took office yesterday, Wednesday, 29 October 2019) has engaged with the JSE Limited ("the JSE") and auditors regarding the urgent completion of the review process required to finalise the interim results for the six months ended 30 June 2019. The board expects that the review process will be completed on an expedited basis so as to allow for the publication of the interim results by latest 30 November 2019.

Notwithstanding the circumstances that culminated in the reconstitution of the entire board, the JSE has not acceded to the request for an extension of time for the reconstituted board to procure the publication of the reviewed interim results. In consequence, pursuant to the standard operating procedures of the JSE, trade in the Company's securities is expected to be suspended from 1 November 2019 until the publication of the reviewed interim results.

The reconstituted board is committed to rectifying legacy issues that have adversely impacted on the Company from both an operational and investor relations perspective and is confident that appropriate steps will be put in place to ensure the timeous completion and issue of future results.
