## **CONCLUSION OF SUBSIDIARY BUSINESS RESCUE PROCESS AND UPDATE ON INTERIM RESULTS PUBLICATION**

---

### **BUSINESS RESCUE**

Shareholders are referred to the announcement published on SENS on 15 October 2019 whereby Foursight Holdings Proprietary Limited ("FH"), the intermediary investment holding company of some of the South African subsidiaries, had been placed under Business Rescue.

The Board is pleased to advise that FH has been successfully removed from Business Rescue and the temporary difficulties have been overcome. The Board remains of the view that (on a consolidated basis) the FH operating subsidiaries within the 4Sight group are profitable businesses, which generate large cash reserves.

### **INTERIM RESULTS**

Shareholders are referred to the announcement published on 31 October 2019 and are advised that the Company has made substantial progress with the finalisation of the group interim results and the final review by the auditor is in progress. Thereafter the interim results will be considered by the newly constituted Audit and Risk Committee and Board. Once approved and published, the Company will apply to the JSE for the lifting of the suspension of trade in 4Sight securities.
